DETAILED ACTION

Claims 1-,3-17 and 19-30 remain pending.

Response to Arguments

The Applicant's arguments filed on December 29, 2005 have been fully considered.

The Examiner responds that pending claims 1, 19-30 are rejected under 35 U.S.C. 112 for containing the vague and indefinite limitation "not readily visible to the viewer", the examiner remarks that this is a subjective limitation as the result will vary from viewer to viewer. The Examiner would like to request a telephonic interview with the applicants representative in order to expedite the prosecution of this application.

See following rejection.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 19-30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. These claims recite the limitation ""not readily visible to the viewer" this limitation is vague and indefinite, no limitation is imposed upon the claimed invention.

Claims 3-17 dependant upon claim 1 and are at least rejected for all the reasons thereupon.
